Figure 1: Schematic representation of the experimental design. The diagram shows a sequence of events: 'Stimulus presentation' (a box with a question mark), 'Response' (a box with a question mark), 'Feedback' (a box with a question mark), and 'Inter-trial interval' (a box with a question mark). The sequence is repeated for 'Trial 1' and 'Trial 2'. The 'Stimulus presentation' box is divided into 'Stimulus' and 'Response' sections. The 'Response' box is divided into 'Response' and 'Feedback' sections. The 'Inter-trial interval' box is divided into 'Inter-trial interval' and 'Inter-trial interval' sections. The sequence is repeated for 'Trial 1' and 'Trial 2'.
